<b>Title: Quality, Health, Safety and Environment Policy</b>	<b>Date</b>	05.03.2016

## Quality, Health, Safety and Environment Policy

Quality, Health, Safety and Environmental (QHSE) in MESEC LLC must be a part of every operation. At first priority, it is every employee's responsibility at all levels.

- The safety and health of every employee is a high priority. Management accepts responsibility for providing a safe working environment and employees are expected to take responsibility for performing work in accordance with safe standards and practices.
- Everyone must join together in promoting safety and health and taking every reasonable measure to assure safe working conditions in the company.
- Comply with all regulatory, statutory and other requirements relating to quality, health, safety and environment with proactive approach
- Train all of our staff on MESEC LLC QHSE program and empower them to contribute and participate
- Making continual improvement through the use of team participation, measurements and setting up QHSE objectives & targets. QHSE goals and objective will only be achieved through teamwork.
- Communicate QHSE commitment and efforts to our customers, staff, and our community
- Ensure customer satisfaction through a reliable supply of quality products and services
- Maintain and ensure that QHSE Policy is up to date and made available to the public and stakeholders periodically review the performance and identify resources required to continually improving the QHSE management system
- Understanding and follow CARE at MESEC LLC:
  - C** Continuous Improvement through
  - A** Alignment of our Missions and Goals
  - R** Responsibility and Respect for our job and each other
  - E** Educating one another
